

REVISIONS MADE TO THE WEB PAGE

This document lists the revisions to the WAS web page completed July 30, 2007. These documents have been reviewed and recommended by the Water Agencies' Standards (WAS) and/or the Water Agencies' Design Guideline (WADG) Committee(s), and as such, information contained within this document shall be regarded as current and accepted for use by the member agencies of the Water Agencies' Standards.

Please replace pages as needed to incorporate these new updates. It may be useful to verify your copy of the WAS or WADG is current by visiting the website and comparing your book with what is shown on the site. The complete WAS document is available (viewable and printable) directly from the WAS website at www.sdwas.com.
